

PRIVATE PICK-UP SITE FORM

- Any pie seller can have a private pick-up site. If your site sells more than 40 pies, we will deliver the pies to your location. If your site sells fewer than 40, you must pick your pies up from Pie Central at Mama's Kitchen on Tuesday, November 24th, between 9am and 1pm.
- Private sites are not open to the public and do not get listed on our order forms or webpage.
- A private site is typically arranged within a company, a private group or an organization that is selling pies to its employees or members.
- When buyers purchase their pies online and want to designate your private pick up site as their pick up location, they will need to enter your assigned pick up site number and pick up site name.
